

# Connecting with Your Higher Self

## Written Prayer by Mirabai Devi

Divine Light,

Please support me to open into the guidance of my Higher Self.  
I breathe in and trust in my Higher Self's wisdom.

Divine Light, please help my Higher Self to reveal what is for my highest and greatest support. Please reveal the supreme truth to me in my life.

Divine Light, please help me to feel safe to connect to my Higher Self and embody the Divine Light in my life.

Divine Light, please help my Higher Self to reveal higher perspectives to my earth body's awareness.

Divine Light, please open me to the consciousness of clarity, compassion and understanding – so that I may make the right decisions, and choose the right words and actions, and create my life from the highest connection to the Divine.

Divine Light, please open me to miracles and ease as I align with my Higher Self in this moment.

Please Divine Light. Thank you, Divine Light. Amen.
